

# MONTY GIBSON

As a Burlington Resident for 40 years, Monty Gibson feels very fortunate to both live and work in this fantastic city. “I am very lucky to be a part of such a great community that has so much to offer its people. There are plenty of great shops and restaurants to choose from, and the lake front location is ideal for a walk or a bike ride. There are plenty of outdoor activities and festivals to take part in and Burlington is home to some of the best amateur sporting teams in the province. I have a great passion for the city and for Burlington Real Estate“

Monty’s commitment to his family, friends and neighbourhood is constantly on display. He and his wife Susan are deeply involved in the community, giving back however possible. As an active volunteer in the area for many years,, Monty has been involved with the Cancer Assist Program, the Alzheimer Society, Burlington Minor Football Association and Habitat for Humanity. For over 11 years, Monty was an active Big Brother and feels privileged to have had both Kyle and Daniel in his life.

An avid sports fan, Monty enjoys a fun day on the golf course with his friends and family, playing tennis, cycling and running. He also enjoys the arts and has a keen interest in all types of music. In his leisure time, Monty loves to get together with his friends where he plays both guitar and bass.

His commitment can also be seen with his clients where he likes to put their needs and wants on center stage. Monty likes the opportunity to have a meaningful impact on his client’s lives and will do everything in his power to help turn their dreams into reality.

If you’re considering the sale or purchase of a home, turn to the professional with a genuine Passion for his Clients and who is Focused on Results. Give Monty a call today to schedule a private consultation.

Monty Gibson proudly serves the Real Estate needs of residents in Burlington, Waterdown, Oakville and the Hamilton area.
